### Arkholme Village Hall Wedding Reception Weekends

Our wedding reception weekend fixed price provides you with exclusive access to the premises, grounds and facilities from 3pm Friday until 3pm Sunday. This will allow you the flexibility to accommodate a Saturday wedding reception at the time of your choosing with ample time to set up on the Friday, and to clear up on the Sunday. You could even choose to hold an additional event such as a 'brunch' on the Sunday morning if you wish. Wedding receptions on other days of the week can occasionally be accommodated outside school term time, please ask for details.

Wedding reception weekends are charged at a **fixed price of £1200**. A deposit of £400 is required at the time of booking; this will be deducted from your final invoice.

### What is included?

The fixed price includes:

- exclusive use of the entire building, grounds and facilities,
- the bar being open, stocked and staffed at the times of your choosing (subject to licencing restrictions),
- hire of tables and chairs; the main hall can accommodate up to 135 seated for a wedding breakfast and up to 180 for an evening reception (in accordance with fire regulations)
- hire of crockery, cutlery and glassware (wine, champagne and water glasses).
- your caterer will have full access to our commercial kitchen facilities.

You have complete flexibility to decorate the premises as you wish. Decorations can be hung on the walls and ceilings, however please do not use *blutack*, *sellotape* etc as this may damage the paintwork and also affects the fire retardant coating on the woodwork. There are a number of small hooks already positioned around the hall and we can recommend other means of affixing decorations if you require.

We are sorry we cannot provide help with setting out tables and chairs, decorating, catering etc and we are not able to provide table clothes or chair covers. We also ask that you tidy everything away following your event and leave the premises as you found it. We will provide access to cleaning supplies so you have the equipment you need. If you have excess rubbish that does not fit or is not suitable for placing in the external wheelie bins please take it home with you.

### Licensed Bar

The well-stocked and fully staffed bar opens onto one end of the main hall conveniently situated to serve your guests. Please note that all beverages must be purchased via the bar, you must ensure that no other alcohol is brought onto the premises or consumed while the bar is open.
